

MEMORIAL SERVICE POLICIES AND GUIDELINES First Presbyterian Church of Topeka

In the Presbyterian Church (USA), a memorial service or funeral is a Service of Witness to the Resurrection of our Lord Jesus Christ. Therefore, before making any plans for a memorial service or funeral at the church, the family of the deceased should contact the church and set up a time to meet with the pastor. The pastor's role is to provide spiritual support to the family and to offer guidance and direction to make sure that the service is the worshipful experience it is meant to be. The guidelines preserve the integrity of the service while still allowing for plenty of warmth, creativity, and personal touches.

The ceremonies and rites of fraternal, civic, or military organizations, if any, should occur at some other time and place.

A funeral is a Service of Witness to the Resurrection in which a casket or urn is present. Please note that these may not be left at the church overnight. Removal of the casket or urn is the responsibility of the Funeral Home or family. In a memorial service, there is no casket or urn.

Who may officiate and participate in a memorial service?

When a memorial service is held at the church, one of our pastors will officiate. The pastor will ensure that the order of worship is consistent with our Presbyterian Book of Common Worship. Family members or friends may be invited to assist, at the pastor's discretion. Clergy from other churches do not participate, except at the invitation of the pastor.

What about music?

Please discuss music when you meet with the pastor. Our organist is available to provide music for the service. It is our policy to invite the assistant organist or one of our substitutes only if our lead organist is not available. Recorded music is an option, with the approval of the pastor. With approval of the pastor, outside musicians may also be invited to play.

We have a list of excellent vocal soloists who are available to sing for memorial services. We will be happy to contact them for you.

Livestreaming of Service

We will do our best to livestream the service for those who are unable to attend in person. Only church-approved persons may operate our sound and video equipment. The fee for the AV person is \$50.

If a service is held in the chapel, no sound is needed, and livestreaming is not available.

Service Times

Memorial services are held on weekday mornings or afternoons. Please be advised that if many guests are expected, our parking lot has limited parking spaces. Street parking is available, but is metered on weekdays. We do not hold memorial services on weekends. Please note that due to limited staffing, **we are not able to open the church for memorial services until two hours before the service** is scheduled to begin.

Receptions

Our deacons will be pleased to host a reception for family and attendees immediately following a memorial service at the church. **AS SOON AS POSSIBLE, please let the church know the approximate number of people expected to attend.** The reception will include coffee, water, and simple refreshments. We do not offer a lunch at this time. Friends of the family who would like to help provide cookies or other items for the reception should contact the church office manager, Melissa Ashwill, who will connect them with our deacons. We do accept donations to cover the cost of the reception. Leftover refreshments will be saved for Sunday morning hospitality or given away at the discretion of the deacons.

Flowers

To encourage a spirit of worship and to protect the wood floors of our historic sanctuary, floral arrangements are limited to 3 to 5 arrangements (depending on their size and placement) in the sanctuary. Other arrangements will be placed in Disciples Hall.

Memorial Contributions

If you request contributions to the church in lieu of flowers, we will provide envelopes for your use if your funeral home does not provide them. If requesting contributions to another organization, the family is responsible for taking those contributions with them at the conclusion of the service and reception. We will place baskets near the sanctuary entrances and in Disciples Hall for cards and memorial contributions.

Services for Non-Members

Ordinarily, we do not host memorial services for someone who is not a member nor related to a member. Should the pastor and/or session choose to make an exception, there will be a \$500 church facility usage fee (\$250 if only the chapel is used). Fees for other services (sound, organist, etc.) are not included in this facility fee (see page 3). All fees need to be paid prior to the day of the service. We do not provide bulletins or receptions for non-member services.

Services in the Chapel

For smaller services, our chapel will comfortably hold 50 to 60 people. No sound or video is available for these services.

Guest Books

It is the responsibility of the family to provide a guest book for their guests to sign.

Displays/Slideshows

You are welcome to bring pictures of your loved one to display on a table in Disciples Hall. We can provide a large TV on a cart with a DVD player, but cannot currently provide a screen or projector for Power Point. Slideshows and videos can be difficult to view because of the glare from the windows in Disciples Hall.
